

INSURING YOUR AUTO IS THE LAW!

BUT, WHAT DO YOU DO IF YOU ONLY WANT THE MINIMUM LIABILITY REQUIRED BY THE STATE AND YOU HAVE **2, 3, 4, OR MORE CARS**? DO YOU PUT ALL THE CARS ON ONE POLICY AND WATCH THE PRICE RISE? DO YOU INSURE JUST ONE CAR AT A TIME AND CALL YOUR AGENT OR GO ONLINE TO SWITCH FROM THE CONVERTIBLE TO THE SEDAN TO THE TRUCK JUST BECAUSE THE WEATHER OR YOUR NEEDS CHANGE FROM DAY TO DAY?

We have your solution!

BROADFORM POLICY

- ⇒ COVER THE CAR YOU ARE DRIVING AT THE TIME YOU ARE DRIVING IT, WHILE YOUR OTHER AUTOS SIT QUIETLY AT HOME, BEING NO RISK TO ANYONE!
- ⇒ NO MORE CALLING TO SWITCH COVERED CARS ON YOUR POLICY!
- ⇒ NO MORE WORRYING IF THE SWITCH CAN BE MADE IN TIME FOR YOUR NEEDS!
- ⇒ OTHER COVERAGES MAY BE AVAILABLE, BUT NOT PHYSICAL DAMAGE.

WITH BROADFORM COVERAGE, YOU CAN GET INTO THE DRIVER SEAT OF ANY PERSONAL VEHICLE THAT YOU NEED TO, AND YOU ARE COVERED!
